SPRING FLING

Alternatives Community Program Services Annual Spring Fling Dance was another huge success this year. With over 300 in attendance, we took over the Venue and made our 11th Spring Fling the best one yet! We welcomed past and present students of Alternatives as well as LLS classes from High Schools across Peterborough. We were overwhelmed by the support and generous donations we received from our community partners and want to thank everyone who helped out to make this special day possible. A huge thank you to Peterborough's Pizza Hut, Tim Horton's and Old Dutch for keeping our crowd well fed. We would also like to extend our thanks to DJ Jeff Richards who kept us entertained and rocking the entire time- and last but not least, thank you to The Venue for providing us with the amazing space to bring us all together! We are already looking forward to seeing everyone's faces at next year's event!

30 Years!

A big congratulations to our incredibly hardworking Executive Director, Vikki Etchells, who is celebrating 30 years with Alternatives. Vikki started with Alternatives just a year after it was established, working with just a handful of individuals at the time. Vikki's industrious and compassionate nature has helped to grow and shape Alternatives into what it is today. Thank you for all that you have done for us Vikki! Congratulations!
